

The Tri-Cities Agility Barn Erin Urquhart Newbie Seminars!

Focus and Confidence are KEY!

Saturday, November 18, 2023 8:30 am - Noon - You can teach your dog the obstacles, but you must have focus to work with you on the course amid distractions and confidence to successfully navigate a course.

Forward Focus – Send and Go!

Saturday, November 18, 2023 1:00 pm – 4:30 pm - Driving forward is how you get there- you can teach your dog the obstacles, but you must teach a young dog to GO so they do it fast and with confidence.

Both seminars will involve jumps and tunnels only. Dogs do not have to jump (bars on the ground or hoops can be used).

Erin Urquhart has been doing agility for ~20 years, attending many nationals and obtaining numerous MACHs on her dogs. Erin believes training should always be positive and fun! She makes games out of training to assure that it is fun for the human and the dog!
